

# ART for ALL AGES

## Reignite Your Artistic Self

Corinne Miller Schaff

The world is becoming more visual, inspired by technology that continually provides more ways to communicate visually. New opportunities call on us to improve our visual literacy. That means understanding what we see and being able to communicate it, the very skills this book is designed to help us acquire.

*Art for All Ages* is unique in that it combines quality "how-to" art instruction with self-discovery in three integrated parts, as follows:

**Recipes for Success:** The activity lessons are time-tested, selected from visual curriculum the author developed over 35-years teaching art. Art history is an important component.

**Essential Ingredients:** Fun, user-friendly art skills are used to complete the Recipes for Success activities.

**Self-Discovery:** Thoughtful lessons for nurturing the artists' experience designed to unwrap key discoveries about the artistic self.

*"... highly recommended for parents, kids, and any adult seeking supportive manuals not just for art, but for self-discovery and growth experiences that overcome age-related barriers."*

**MIDWEST BOOK REVIEW, D. DONOVAN, SENIOR REVIEWER**

*"A valuable resource for learning or renewing your art skills. The author offers exercises based on decades of experience as an art teacher, combining education with inspiration.... Cori Schaff makes the fundamentals fun."*
